Certain Federal Department of Labor restrictions apply and client must qualify for a live-in care model.

Note 1 - All home care clients have an RN Case Manager.

Note 2 - Assisted Living and Nursing Home Data are per the 2020 Genworth Cost of Care Report. <https://www.genworth.com/aging-and-you/finances/cost-of-care.html>

Note 3 - There is a level of care where the Assisted Living facility is no longer appropriate and a Skilled Care, Nursing Home, care is the appropriate level of care.

This generally occurs between 40 and 70 hours/week of care.
